

ANNUAL REPORT

Reach high, for stars lie hidden in your soul.

Dream deep, for every dream leads the goal.

We delight in the beauty of the butterfly, but rarely admit the changes it has gone through to achieve that beauty.

It is the change that we all go through our lives that constantly improves us, and with Maya Angelou's words portraying this thought in the most dazzling way possible, I would like to wish you all a very pleasant morning.

On behalf of the management, staff and students of the **Acadia World School, Near Sitasar Mandir, Jakhepal-Budhlada Bye-pass Road, Sunam-148028, Distt. Sangrur (Punjab)**, I cordially welcome our Chief Guest. I also welcome the other invited dignitaries and all parents to this occasion that is our School's first Annual Function & the Prize Distribution Ceremony.

In **Acadia World School**, we believe that every individual has a lot of potential, and that potential can help accomplish wonders. That is why; it is fair to say that we thus believe that the future of the world starts here. The session of 2018-19 was a great year, and I consider it a moment of pride to showcase to you all the achievements and development that the school, staff and students undertook.

The school currently has strength of 203 students, 20 academic staff, 7 administrative staff and 10 multi-tasking staff.

Vision determines directions of effort and prioritizing deployment of resources at our disposal, and our vision is to make our school one of the best schools of our city by providing quality education to our students through best in class academic facilities and churn out citizens who will be inspiring leaders with a humane touch.

Excellence in academics is the hallmark of a good institution and details of this year's achievers in academics are as shown on the slide.

Teachers Empowerment Programs:

"Teachers are also learners." Staying updated is the key to success in any field, especially, in education. Our teachers constantly strive to stay updated by attending workshops & various training Programs.

Our teachers also attended workshops conducted by **Extramarks** to enhance their skills.

Student Achievements:

The competition is not only among the fellow students of **Acadia World School**. They need to extend their boundaries and emerge as victors among other students of the city.

In this era of English taking over all other languages, it was indeed a very heart warming and beautiful moment when our students took part and won in Competitions.

- School Team won 2nd position in Hindi National Group Song Competition organised by Bharat Vikas Parishad Sunam in DAV School, Sunam. And also got complimentary reward in Sanskrit Language Group Song Competition.
- Ramneet Kaur (III) & Kritika Rani (III) won Bronze medal in District Sangrur Wushu Championship.
- Simranjeet Kaur of Class VIII got selected in Punjab State Baseball Team.
